#### **Overview**

The European Union (EU) Delegation to Pakistan with the Government of Sindh and the Rural Support Programmes Network (RSPN) has launched the six-year Sindh Union Council and Community Economic Strengthening Support (SUCCESS) Programme. The SUCCESS Launch Event was held on 25<sup>th</sup> November in Marriot, Karachi.

The objective of the SUCCESS Programme is to reduce poverty through undertaking Community Driven Development (CDD) based on the proven social mobilisation approach of Rural Support Programmes (RSPs). The programme will cover eight districts of Sindh, including Tando Muhammad Khan, Sujawal, Matiari, Tando Allahyar, Larkana, Kambar Shahdadkot, Dadu and Jamshoro. Under the SUCCESS Programme, 770,000 poor rural households are to be mobilized and organized into a network of people's own institutions: 32,400 Community Organizations (CO), 3,240 Village Organizations (VO), and 307 Local Support Organizations (LSO), and. RSPs then will provide support to improve the organized households' lives and livelihoods, as well as to foster linkages between organised communities and local government.

The EU Ambassador in Pakistan, His Excellency Mr. Jean-François Cautain, Additional Chief Secretary (Development) Sindh Mr. Ajaz Ali Khan, Chairman RSPN Mr. Shoaib Sultan Khan, Chief Executive Officer RSPN Mr. Khaleel Ahmed Tetlay, Chief Executive Officer National Rural Support Programme (NRSP) Dr. Rashid Bajwa, Chief Executive Officer Sindh Rural Support Organisation (SRSO) Mr Dittal Kalhoro, Chief Executive Officer Thardeep Rural Support Programme (TRDP Dr Salam Memon, EU officials, staff of partner organisations, , government officials and civil society representatives were in attendance at the event.

#### **Opening Remarks**

The event began with a short film documentary tracing the pioneering Aga Khan Rural Support Programme's (AKRSP) first steps towards social mobilization. The opening remarks were given by Mr. Shoaib Sultan Khan, whogave a brief history of his work with RSPs. He noted that he was inspired by his mentor, Dr. Akhtar Hameed Khan's methodology and work on poverty reduction. Mr. Shoaib Sultan Khan said that , the third World Bank evaluation of AKRSP concluded that this programme had succeeded in doubling the incomes of the targeted poor households in real terms.

This is when the Government of Pakistan took notice and he made a presentation regarding his work to Benazir Bhutto. This led to the setting up of the Sarhad Rural Support Programme (SRSP) at Peshawar. In 1992, the federal government supported the setting up of NRSP at Islamabad. In 1998, the government of Punjab supported the setting up of the Punjab Rural Support Programme (PRSP) at Lahore. And, in 2003, the government of Sindh supported the setting up of SRSO at Sukkur, Mr. Shoaib Sultan Khan shared with the audience that in 2009, he made a presentation to the Sindh Chief Minister Syed Qaim Ali Shah who listened to the strategies of RSPs for social mobilisation and poverty reduction, thereafter approved the Union Council Based Poverty Reduction Programme (UCBPRP) for two most backward districts of the province namely Shikarpur and Kashmor. Mr. Shoaib Sultan Khan said that the UCBRPRP worked only with women and empowered them economically and also instilled in them self-confidence.

Mr. Shoaib Sultan Khan termed it a fortunate incidence that a group of EU Delegation officials, led by Mr. Brend de Groot, visited various areas of Sindh, including the coastal areas, desert areas and Upper Sindh. The group was quite impressed by the RSPs' social mobilisation process especially the empowerment of women achieved under the UCBPRP. Mr. Shoaib Sultan Khan explained that at Mr. de Groot's behest, a meeting was arranged of EU officials with CM Sindh which resulted in the formulation of the SUCCESS

Programme. He said "We were lucky that even the Chief Minister agreed to see him. In the meeting, an offer was made by the Counsellor to replicate UCBPRP in eight more districts of Sindh only if the government wishes so and would consider covering the remaining districts in the province under the ADP funding. The Chief Minister appreciated the offer and accepted it. The result is SUCCESS which is being launched this evening." Mr. Shoaib Sultan Khan said that the Sindh government is planning to cover the remaining districts of the province according to the Union Council Based strategy through provincial funding under its annual development fund. Mr. Shoaib Sultan Khan went on to thank Chief Minister Mr. Qaim Ali Shah for supporting the empowerment of rural poor,

especially the women. He also gave special acknowledgments to Mr. Fazlur Rehman, Ms. Naheed Shah Durrani, Mr. Nazar Memon and Mr. Ajaz Ali Khan for always being strong supporters of RSPs.

#### **Experience of Communities in UCBPRP**

Mr. Shoaib Sultan Khan's remarks were followed by a presentation by women leaders of LSO Network from Shikarpur district. Three women from a rural district of Sindh took the stage to talk about the success of the UCBPRP in their districts. They mentioned that in total 84% of households have been mobilized in 11 Union Councils and that the

office bearers are women. The Local Support Organization's major achievements include facilitating the resolution of tribal conflicts, dissemination of polio vaccine and addressing the issue of closed ghost schools. Further, associations for older people have also been developed and vocational trainings arranged for young women as well as the creation of business development groups. The women highlighted that during the recent local government elections, all candidates were approaching LSOs as they knew that organised women now had not only CNICs and registered as voters but also that they had a voice.

#### Statements on the SUCCESS Programme

Following the community presentation, RSPN's acting CEO Mr. Khaleel Ahmed Tetlay took the stage. He stated that SUCCESS Programme would keep its focus on fostering sustainable and financially viable networks of community institutions and contribute to poverty reduction as well as create links between community institutions and the government service delivery departments.

Next, Dr. Rashid Bajwa, Director, SRSO Board, took the stage. He said **SUCCESS** that is historic programme in its scale and scope. He noted that also organised communities develop they can become a part of the political discourse. Dr. Bajwa said that the distinguishing feature of the SUCCESS Programme is that it puts the poor rural women at the centre of the process of rural

development He said that "women can spearhead these movements." Dr. Bajwa was of the view that the programme would change the dynamics of the lives of rural poor in Sindh and transform them into productive citizens. He congratulated the Sindh government and EU for taking a decision which will have sustainable impact on rural poverty.

Dr. Amaury Hoste gave a brief presentation on the specifics of the SUCCESS Programme. He mentioned the objectives of the programme, which namely include implementation of a policy to finance community-driven local development initiatives by the Government of Sindh, in partnership with local community institutions, moving 30% of the targeted poor

households out of poverty in eight rural districts of Sindh, increasing and diversifying the income sources of 70% of the mobilised households, providing better public services access to 70% of the targeted poor households, stimulating community driven development initiatives through RSP's approach and empowering women in the selected districts. He also discussed the three expected results, which include:

- 1) 770,000 rural households in 8 districts mobilised and capacitated through community organisations of which at least 70% will continue to function effectively at the end of the project
- 2) An average sustainable increase of poor household incomes by 30%
- 3) Increased economic and social services and community benefits from upgraded community infrastructures and productive assets operated and maintained with community involvement

#### **Closing Remarks**

The Ambassador of EU to Pakistan, Excellency Mr. Jean-François His Cautain took the stage next. He said he had worked in Afghanistan in the 1990s they had tried to mobilize communities, however without great Pakistan, success. Now in philosophy of the Rural Support Programmes, with their 30 year experience widely documented in its

successes across Pakistan, convinced the EU to recognize the multiple opportunities offered by the three-tiered social mobilization approach in the field promoting a culture of participation, inclusivity and solidarity, direct provision of front-line services, planning and development, business creation, savings, conflict resolution, dialogue and interaction with local authorities. He congratulated all the attendees on their hard work and said that RSPN is an excellent partner to have in this programme.

Additional Chief Secretary (Development) government of Sindh Mr. Ajaz Ali Khan concluded the event. He said that the SUCCESS Programme is a silent revolution in the making and through this programme, it will be possible to bring actual change in the society. He said that it was very encouraging that the programme will involve and be led by

women. He said that Sindh government was fully committed to this programme and fully intended to support it. He observed that one of the fundamental issues in Sindh was to accommodate talented and educated youth into industry and job market. The SUCCESS Programme will also open doors to new opportunities for rural youth who would be able to work in their home districts. He said he looked forward to active engagement with the EU and the RSPs "which are all the people who are actually working in the forefront."

The European Union (EU) delegation to Pakistan, the government of Sindh and the Rural Support Programmes Network (RSPN) launched the European Union funded six-year Sindh Union Council and Community Economic Strengthening Support (SUCCESS) programme in Karachi on Wednesday.

According to a statement, the objective of the SUCCESS Programme is to reduce poverty through undertaking the Community Driven Development (CDD) based on the proven social mobilisation approach of the Rural Support Programmes (RSPs).

The programme will cover eight districts, namely Tando Muhammad Khan, Sujawal, Matiari, Tando Allahyar, Larkana, Kambar Shahdadkot, Dadu and Jamshoro.

EU Ambassador in Pakistan Jean-François Cautain, Additional Deputy Secretary Sindh Ajaz Ali Khan, Chairman RSPN Shoaib Sultan Khan, Chief Executive Officer RSPN Khaleel Ahmed Tetlay, Chief Executive Officer National Rural Support Programme (NRSP) Dr Rashid Bajwa, EU officials, representatives of partner organisations for the SUCCESS Programme, government officials and civil society representatives attended the ceremony.

Ajaz Ali Khan said the SUCCESS was a salient innovation and it could help bring actual change in the society.

He said it was encouraging that the programme would involve and be led by women.

He further said the Sindh government was committed to the programme and was intended to back it until end.

He observed that one of the fundamental issues in Sindh was to accommodate talented and educated youth into the industry and job market. "SUCCESS will also bring new opportunities for rural youth who would be able to work in their home districts."

Jean-François Cautain said the philosophy of the rural support programmes, with their 30 years long experience widely documented in its successes across Pakistan, convinced the EU to recognise the multiple opportunities offered by the three-tiered social mobilisation approach in different fields as promotion of a culture of participation, inclusivity and solidarity, direct provision of front-line services, planning and development, business creation, savings, conflict resolution, dialogue and interaction with local authorities.

The ambassador further said the SUCCESS Programme was developed at the request of the government of Sindh to extend the geographic coverage of their Union Council Based Poverty Reduction Programme (UCBPRP) to eight rural districts of Sindh.

"This clearly shows the commitment of the Sindh government to this approach."

The programme includes a small component of Technical Assistance (TA), amounting to 1.5 million Euros, to be provided to the provincial government.

The TA will assist the government in designing a dedicated policy and budget framework for the community-driven local development, to be implemented from 2018 onwards.

The SUCCESS Programme, as the UCBPRP, will be focusing heavily on women as their primary beneficiaries, he stated.

Giving opening remarks, Shoaib Sultan Khan shared with the audience that back in 2009, Sindh Chief Minister Syed Qaim Ali Shah listened to the strategies of the RSPs and approved the UCBPRP for the two most backward districts of the province, namely Shikarpur and Kashmor. He further said the UCBRPR worked only with women and empowered them not only economically, but also on attaining self-confidence and power of their own potential to improve their status.

He termed it a fortunate incidence saying that a group of EU Delegation officials led by Brend de Groot visited rural Sindh, going to coastal areas, desert areas and the upper parts of the province.

The group was impressed by the RSPs' mobilisation process, especially the empowerment of women achieved under the UCBPRP.

At Groot's behest, Shoaib added that a meeting of EU officials was arranged with the chief minister and resulted in the formulation of the SUCCESS Programme, which would cover eight districts on the line of the UCBPRP.

According to him, the Sindh government is planning to cover the remaining districts of the province according to a union councils based strategy through provincial funding under its annual development fund.

Khaleel Ahmed Tetlay said that with the SUCCESS Programme, the RSPN, the NRSP, the Sindh Rural Support Organisation (SRSO) and the Thardeep Rural Development Programme (TRDP) will be working in eight districts of Sindh to mobilise 770,000 rural poor households into 32,400 Community Organisations (COs), 3,240 Village Organisations (VOs) and 307 Local Support Organisations (LSOs).

He stated that the SUCCESS Programme would keep its focus on fostering sustainable and financially viable network of community institutions and to contribute to poverty reduction, and also to link the community institutions with the government service delivery departments.

Dr Rashid Bajwa said the SUCCESS was a historic programme in terms of poverty reduction as milestones had been achieved earlier, including the Aga Khan Rural Support Programme (AKRSP)

experience, setting up of the NRSP by the government of Pakistan and other provincial rural support programmes.

He was of the view that the programme would change the dynamics of the lives of poor in rural Sindh and would transform them into productive citizens.

He congratulated the Sindh government and the EU for taking the decision which would have sustainable impacts.

KARACHI (APP): European Union funded 6-year Sindh Union Council and Community Economic Strengthening Support (SUCCESS) Programme launched in eight districts of Sindh Province yesterday.

The objective of the SUCCESS Programme is to reduce poverty through undertaking Community Driven Development (CDD) based on the proven social mobilisation approach of Rural Support Programmes (RSPs).

Ajaz Ali Khan said SUCCESS was a salient innovation in making and through this programme we could be able to bring actual change in the society. He said that it was very encouraging that the programme will involve and be led by the women. He said that Sindh government was fully committed to this programme and was intended to back it until end. He observed that one of the fundamental issues in Sindh was to accommodate talented and educated youth into industry and job market. SUCCESS will also open door to new opportunities for rural youth who would be able to work in their home districts, he remarked.

Jean-Francois Cautain said he had worked in Afghanistan and they had tried to mobilise communities. But the philosophy of the Rural Support Programmes, with their 30 years long experience widely documented in its successes across Pakistan, convinced the EU to recognise the multiple opportunities offered by the three-tiered social mobilisation approach in fields as different

as promotion of a culture of participation, inclusivity and solidarity, direct provision of front-line services, planning and development, business creation, savings, conflict resolution, dialogue and interaction with local authorities.

The Ambassador said that SUCCESS Programme was developed at the request of the government of Sindh (GoS) to extend the geographic coverage of their Union Council Based Poverty Reduction Programme (UCBPRP) to eight rural districts of Sindh. This clearly shows the commitment of the Government of Sindh to this approach. This programme includes a small component of Technical Assistance (TA), amounting to 1.5 million Euros, to be provided to the GoS. This TA will assist the GoS in designing a dedicated Sindh policy and budget framework for community-driven local development, to be implemented from 2018 onwards. Shoaib said that the UCBRPR worked only with women and empowered them not only economically but also on attaining self-confidence and power of their own potential to improve their status.

Shoaib termed it a fortunate incidence saying that a group of EU Delegation officials led by Brendde Groot visited interior of Sindh, going to coastal areas, desert area and Upper Sindh. The group was so impressed by the RSPs' mobilisation process especially empowerment of women achieved under the UCBPRP. At Groot's behest, Shoaib further said, a meeting was arranged of EU officials with CM Sindh and resulted in the formulation of the SUCCESS Programme, which will cover eight districts on the line of UCBPRP.

Shoaib said that the Sindh government is planning to cover the remaining districts of the province according to union council based strategy through provincial funding under its annual development fund. Khaleel Ahmed Tetlay said that with the SUCCESS Programme, RSPN, NRSP, Sindh Rural Support Organisation (SRSO), and Thardeep Rural Development Programme (TRDP) will be working in eight districts of Sindh to mobilise 770,000 rural poor households into 32,400 Community Organisations (COs), 3,240 Village Organisations (VOs) and 307 Local Support Organisations (LSOs), Tetlay remarked. Dr. Rashid Bajwa said SUCCESS is a historic programme in terms of poverty reduction as there were milestones achieved earlier including the Aga Khan Rural Support Programme (AKRSP) experience, setting up of NRSP by the government of Pakistan and other provincial rural support programmes. Dr. Bajwa was of the view that the programme would change the dynamics of the lives of rural poor in Sindh and transform them into productive citizens. He congratulated the Sindh government and EU for taking a decision which will have sustainable impact on poor as well as rural poverty.

SUCCESS Programme is based on the Rural Support Programmes' (RSPs) social mobilisation approach Community-Driven Development (CDD). Social Mobilisation centers around the belief that poor people have an innate potential to help themselves; that they can better manage their limited resources if they organise and are provided technical and financial support. The RSPs under the SUCCESS Programme provide social guidance, as well as technical and financial assistance to the rural poor in Sindh.

SUCCESS is a six-year long (2015-2021) programme funded by the European Union (EU) and implemented by Rural Support Programmes Network (RSPN), National Rural Support Programme (NRSP), Sindh Rural Support Organisation (SRSO), and Thardeep Rural Development Programme (TRDP) in eight districts of Sindh, namely: Kambar Shahdadkot, Larkana, Dadu, Jamshoro, Matiari, Sujawal, Tando Allahyar, and Tando Muhammad Khan.
