### LSO Network Karwan, Turbat

#### Peace Building and Social Harmony

LSO network conducted two workshops on peace building and social harmony; one in UC Nodiz which was attended by 41 men, and the other in UC Sami where participants were 14 men and 16 women to sensitize the local communities and minimize possibility of any kind of insurgency.

During the workshops, special talks on peace and Islam, peace and development, nationalism, role of civil society in peace and development. In this regard the religious leaders and community notables played a key role.
