## Text Based Search >>

The Public Procurement Regulatory Authority is an autonomous body endowed with the responsibility of prescribing regulations and procedures for public procurements by Federal Government owned public sector organizations with a view to improve governance, management, transparency, accountability and quality of public procurement of goods, works and services. It is also endowed with the responsibility of monitoring procurement by public sector agencies/organizations and has been delegated necessary powers under the Public Procurement Regulatory Authority Ordinance, 2002.

### Highlights

**NEW** Draft National Procurement Strategy has been developed. Please click for more information.
