Objective of the Visit:	Participation in the “Block Plantation” activity arranged by LSO Ranra, in Union Council Kheshki Payan with the Collaboration of Forestry Environment & Wildlife Department		
Summary of the Proceedings:	<p>LSO Ranra, formed in 2013, has been playing an active role in contributing their efforts for the uplifting of the livelihood and social status of the people in Union Council Kheshki Payan. They have managed to establish their linkages and coordinate with different organization, especially local government department. Likewise, LSO Ranra arranged a block Plantation activity on 2nd March, 2017, with the collaboration of Forestry Environment & Wildlife Department. Members from LSO Ranra along with Chairman and Vice Chairman Village council participated in the activity.</p> <p>Global Warming and climate change is an integral issue in today's world. Based on the concept, Govt. Khyber Pakhtunkhwa has taken an initiative of “Billion Tree Tsunami Afforestation Project” for promoting sustainable forestry development through active participation of the local communities and more jobs creation. Forestry Environment and Wildlife Department, collaborated with SRSP to provide platform for block plantation activity in different districts. Therefore, District Nowshera managed to link 4 Local Support Organizations with the Department and each LSO has received 3000 plants for plantation.</p> <p>Initially, the activity opened with a warm welcome from the Chairman LSO, Ranra. The participants were introduced in the activity. The Social Organizer SRSP and Chairman Village Council briefed the community regarding the importance of plantation and the initiative taken by the Government. The Chairman Village Council further extended his support in this regard and announced to facilitate the members in the process.</p> <p>The plants were distributed amongst the community members and an awareness walk was led in the village. The activity settled with a ceremonial vote of thanks by LSO Ranra General Secretary and pledged for planting the trees and contribute towards achieving the objective.</p>
