RURAL SUPPORT PROGRAMMES NETWORK (RSPN)

The Rural Support Programmes Network (RSPN) is the largest development network of Pakistan with an outreach of over 56 million rural Pakistanis. It consists of nine member Rural Support Programmes (RSPs) that espouse a common approach to rural development: social mobilisation. Social mobilisation centres around the belief that poor people have an innate potential to help themselves, that they can better manage their limited resources, if they organise and are provided with technical and financial support.
